

# ARI

SIMULATION

## TRAINING PEOPLE IS YOUR PRIORITY. MAKING IT POSSIBLE IS OURS.

From desktop solutions to full mission simulators and beyond, ARI has been delivering class-leading and DNV Class-A certified advanced virtual reality training solutions to customers across the globe for two decades.

Backed by our world class support programs and with a range of commercial structures to suit your needs and your budget - ARI simulation solutions are surprisingly affordable and accessible.

To find out more visit our website or email us at [info@arisimulation.com](mailto:info@arisimulation.com)

### MARINE SIMULATION

BRIDGE SIMULATION: Navigation Simulation and Ship Handling Simulation (with auto assessment) - Merchant Marine Simulation | Integrated Bridge Systems | RADAR / ARPA | ECDIS | Conning | Blind Navigation | GMDSS | Port Task & Full Mission

### OFFSHORE SIMULATION

Offshore Vessel Simulators | MSV | PSV | AHTSV | AHT | Range of Tug Vessels | Offshore Operations Simulation | DP Simulation | Rig Support Operations

### DRILLING SIMULATION

Offshore Semi submersible rigs | Offshore Jack-up Rigs | Land Rigs | Downhole Model | Vertical & Directional Drilling | Mud Systems | Control Systems | Pipe Handling Systems

### NAVAL SIMULATION

Navigation Simulation and Ship Handling Simulation (with auto assessment) | Warship Simulation | Propulsion | CIC | Tactical

ENGINE & PROPULSION SIMULATION (with auto assessment): 2 Stroke Engines | 4 Stroke Engines | Dual Fuel Simulator | Customised Propulsion Plant | Combustion Simulator | Electrical Simulator

### CRANE SIMULATION

Quay Cranes | RTGs | RMGs | Pedestal Cranes | Mobile Harbour Cranes | Forklifts | Straddle Carriers | Knuckle Boom Cranes | Offshore Pedestal Cranes | Bulk Cargo Operations | Customised Port / Terminal Worlds

IRIS eSim  
Simulation Based Learning Solutions

### DRIVING SIMULATION

Heavy Vehicles | Medium Vehicles | Light Vehicles | Specialised Vehicles

CARGO HANDLING SIMULATION (with auto assessment): INTERTANKO TOTS Compliant - Oil (Crude & Products) | Chemical | LPG & LNG | Ballast Handling

MARINE | OFFSHORE | CRANE | DRILLING | IRIS | NAVAL | AIRPORT | DRIVING | CUSTOM SIMULATION
