Wanna be my Chamak Chalo!

Kareena Kapoor is back to woo her fans and how! Her much talked about movie Ra.One, also starring Shahrukh Khan has grabbed the limelight with both hands.

Kareena's look in the song has received much public attention, as it marks her return to the *desi avatar* after a long gap. In an interview with Hindustan Times, she was quoted saying "My fans like me in a saree, and so do I. And now that the size zero chapter is out of my life forever, I have the curves to carry off the desi girl look to perfection."

*She sure sizzles with her curves,
right seafarers?*
